

Five easy steps for adding yourself to the Crooked Canes Attendee List

One: Start your favorite web browser (Internet Explorer, Chrome, Firefox, Safari, etc.) and type or copy the following url into the address bar: <http://www.theadirondacks.net/canes/cclist.php> or click "**Add / Edit Yourself**" on the **Menu** from any page in the CC web site to open the Attendee List.

Two: A security page will appear instructing you to click a "**Continue**" button. Go ahead and click it. The Attendee List will appear. Find "**Add Yourself to the List**" located on the second line down from the top, second link in from the left. Click on it. An "Important Notice" page will appear where, at the bottom of the page there are two buttons: "**Continue**" to proceed or "**Cancel**" to return to the Attendee List.

Three: If you chose "**Continue**," the "Adding New Attendee page" will appear. Fill in as many of the information fields as you wish. NOTE!!! If adding two first names, as in Mrs. Doe is adding herself and her husband John, use the word "and" (without the quotation marks) as the separator between the two names. Put a space in before and after "and" but nothing else! Also note that first name, last name and email must be filled in as without them there is no sense being on the list and it is certain that your information will soon be deleted.

Four: At the bottom of the dialog box is a line that asks if you want to "Receive notices of Photo Journal updates?" Choose whether or not you'd like to receive notification of Journal updates. Most folks want to know when a journal entry is posted or photos subsequently added, so they can read the story and see all the pictures. You can change this later if you wish to no longer receive journal notifications.

Five: Click the "**Add Member**" button just to the right of where all your information was entered. Start the party! You're our newest Crooked Cane!!!
